## Featured Song of the Week:

### Apple Tree Chant

Way up high in the Apple Tree,  
Two red apples\* I did see.

So I shook that tree  
Just as hard as I could,

Down fell the Apples,  
And MMMM... were they good!

# “Recipe” for playing at home: Apple Snack Surprise!

## You will need:

- 2 - 4 apples, peeled and sliced thin
- Sharp knife and cutting board
- Bowls
- Shallow pan
- Butter
- 1 teaspoon cinnamon
- 1 tablespoon sugar
- Plate and paper towel

## Activity:

- Peel and slice the apples.
- Place a small amount of butter in shallow pan and melt on medium heat.
- Measure one teaspoon of cinnamon and 1 tablespoon of sugar and mix in a bowl.
- Place apples in the cinnamon-sugar mixture. Make sure that the apples are completely coated with the sugar and cinnamon mixture.
- Place the apples in a heated pan and cook on both sides - the apples will soften, turn golden brown and the cinnamon & sugar mixture will slightly caramelize.
- Cool apples on a plate covered with paper towel.
- Serve warm as a delicious snack with family and friends...enjoy!

# What is my child learning?

Working together promotes positive relationships, conversation and teamwork.

Having opportunities to experience new things develops curiosity and a sense of wonder about the world.

Measuring ingredients, stirring and eating apples develops fine motor skills and eye-hand coordination.

Participating in preparing a snack or meal boosts children’s self confidence and supports the development of important math concepts like measurement and counting.
